

***Section I Introduction***

***1. Pharmacology***

***Kamal Maheshwari***

***2. Pharmacology of Local Anesthetics in Pediatrics***

***Ibrahim Farid and Rami Edward Karroum***

***3. Equipment and Ultrasound***

***Loran Mounir Soliman***

***Section II Upper Extremity Blocks***

***4. Upper Extremity Block Anatomy***

***David L. Brown***

***5. Interscalene Block***

***Ehab Farag with David L. Brown***

***6. Supraclavicular Block***

***Ehab Farag and David L. Brown***

***7. Suprascapular Block***

***Wael Ali Sakr Esa***

***8. Infraclavicular Block***

***Kenneth C. Cummings III***

***9. Axillary Block***

***Wael Ali Sakr Esa and David L. Brown***

***10. Distal Upper Extremity Block***

***Sree Kolli and Sanchit Ahuja***

***11. Intravenous Regional Block***

***David L. Brown***

### ***Section III Lower Extremity Blocks***

#### ***12. Lower Extremity Block Anatomy***

***David L. Brown***

#### ***13. Lumbar Plexus Block***

***Loran Mounir Soliman and David L. Brown***

#### ***14. Sciatic Block***

***Ehab Farag and David L. Brown***

#### ***15. Femoral Block***

***Ehab Farag and David L. Brown***

#### ***16. Ultrasound for Fascia Iliaca and Inguinal Region Blocks***

***Mohammed Faysal Malik and Chihiro Toda***

#### ***17. Lateral Femoral Cutaneous Block***

***Sanchit Ahuja and Sree Kolli***

#### ***18. Obturator Block***

***Loran Mounir Soliman and David L. Brown***

#### ***19. Popliteal and Saphenous Block***

***Maria Yared and David L. Brown***

#### ***20. Adductor Canal Block***

***Ehab Farag***

#### ***21. Ankle Block***

***Maria Yared and David L. Brown***

### ***Section IV Head and Neck Blocks***

#### ***22. Retrobulbar (Peribulbar) Block***

***David L. Brown***

#### ***23. Cervical Plexus Block***

*Jacob Ezell and Samantha Stamper*

**24. Stellate Ganglion Blocks**

*Vicente Roqués Escolar Sr.*

*Ana Isabel Sánchez-Amador*

**Section V Airway Blocks**

**25. Airway Block Anatomy**

*David L. Brown*

**26. Glossopharyngeal Block**

*David L. Brown*

**27. Superior Laryngeal Block**

*David L. Brown*

**28. Translaryngeal Block**

*David L. Brown*

**Section VI Truncal Blocks**

**29. Truncal Block Anatomy**

*David L. Brown*

**30. Pecs and Pecto-intercostal Blocks**

*Loran Mounir Soliman*

**31. Serratus Anterior Block**

*Loran Mounir Soliman*

**32. Intercostal Block**

*Ehab Farag and Rajeev Krishnaney Davison*

**33. Paravertebral Bloc**

*Ehab Farag*

**34. Erector Spinae block**

*Vicente Roqués Escolar Sr. and Mauricio Forero*

*35. Rectus Sheath Block and Catheter in Adults*

*Jacob Ezell, Junaid Mukhdomi, Samantha Stamper, John Seif*

*36. Transversus Abdominal Plane Block*

*Loran Mounir-Soliman*

*37. Subcostal Transversus Abdominal Plane Block*

*Ehab Farag*

*38. Quadratus Lumborum Block*

*Hesham Elsharkawy and Ehab Farag*

#### *Section VII Neuraxial Blocks*

*39. Ultrasound-Assisted Neuraxial Blocks*

*Loran Mounir Soliman*

*40. Spinal Block*

*David L. Brown*

*41. Epidural Block*

*David L. Brown*

*42. Caudal Block*

*David L. Brown*

#### *Section VIII: Pediatric Regional Using Ultrasound*

*43. Caudal Block in Pediatrics*

*John Seif*

*44. Ilioinguinal and Iliohypogastric Block*

*John Seif*

*45. Superficial Cervical Plexus Block*

*John Seif*

***46. Pudendal Nerve Block***

***John Seif***

***47. Paravertebral Catheters in Pediatrics***

***John Seif***

***Section IX : Obstetrics Regional Anesthesia***

***48. Regional Techniques During Pregnancy and Delivery***

***Cynthia A. Wong***
