

## **PART I Symptoms and Signs**

1 Gastroesophageal Reflux Disease

2 Dysphagia

3 Hiccups

4 Acute Abdominal Pain

5 Chronic Abdominal Pain

6 Chronic Nausea and Vomiting

7 Acute Vomiting

8 Dyspepsia

9 Jaundice

10 Abnormal Weight Loss

11 Acute Diarrhea

12 Chronic Diarrhea

13 Constipation

14 Fecal Incontinence

15 Upper Gastrointestinal Bleeding

16 Severe Hematochezia

17 Suspected Small Bowel Bleeding

18 Iron Deficiency Anemia

19 Foreign Body Ingestion

20 Caustic Ingestions

## **PART II Specific Gastrointestinal Disorders**

21 Barrett's Esophagus

22 Achalasia

23 Eosinophilic Esophagitis

24 Esophageal Motility Disorders

25 Helicobacter pylori Infection

26 Gastroparesis

27 Zollinger-Ellison Syndrome

28 Gastric Intestinal Metaplasia

29 Elevated Alkaline Phosphatase Level

- 30 Elevated Transaminases
- 31 Drug-Induced Liver Injury (DILI)
- 32 Management of Hepatitis B
- 33 Treatment of Hepatitis B during Pregnancy
- 34 Management of Hepatitis C
- 35 Primary Sclerosing Cholangitis
- 36 Primary Biliary Cholangitis
- 37 Hemochromatosis
- 38 Wilson Disease
- 39 Alcoholic Hepatitis
- 40 Autoimmune Hepatitis
- 41 Nonalcoholic Fatty Liver Disease
- 42 Prophylaxis of Esophageal Variceal Bleeding
- 43 Esophageal Variceal Bleeding
- 44 Gastric Varices
- 45 Chronic Bleeding From Portal Hypertension
- 46 Acute Kidney Injury in Cirrhosis
- 47 Hepatic Encephalopathy
- 48 Portal Vein Thrombosis in Cirrhosis
- 49 Ascites
- 50 Spontaneous Bacterial Peritonitis
- 51 Hepatic Mass
- 52 Liver Lesions in Cirrhosis
- 53 Hepatocellular Carcinoma
- 54 Suspected Choledocholithiasis
- 55 Sphincter of Oddi Dysfunction
- 56 Choledochal Cysts
- 57 Acute Pancreatitis
- 58 Chronic Pancreatitis
- 59 Pancreatic Cysts
- 60 Celiac Disease

- 61 Short Bowel Syndrome
- 62 Microscopic Colitis
- 63 Acute Colonic Pseudo-Obstruction
- 64 Irritable Bowel Syndrome
- 65 Defecation Disorders
- 66 Acute Severe Ulcerative Colitis
- 67 Treatment of Ulcerative Colitis
- 68 Crohn's Disease
- 69 Management of Crohn's Disease in Pregnancy
- 70 Postoperative Management of Crohn's Disease
- 71 Biologic Therapy in Inflammatory Bowel Disease
- 72 Surveillance of Colorectal Neoplasia in Inflammatory Bowel Disease
- 73 Colonic Ischemia
- 74 Immune Checkpoint Inhibitors Colitis
- 75 Clostridioides difficile Infection
- 76 Colon Polyp Surveillance
- 77 Malignant Colorectal Polyps
- 78 Lynch Syndrome
- 79 Rectal Neuroendocrine Tumors
- 80 Appendiceal Neuroendocrine Tumors
