

Section A

Ovarian cancers

1. *Malignant ovarian germ cell tumors*
2. *Sex cord stromal tumors of the ovary*
3. *Ovarian carcinosarcoma*
4. *Ovarian clear cell carcinoma*
5. *Mucinous ovarian carcinomas*
6. *Low-grade serous ovarian cancer*
7. *Small cell carcinoma of the ovary, hypercalcemic type*
8. *Other rare ovarian cancers: Transitional cell carcinoma, malignant Brenner tumor, endometrioid carcinoma, mesothelioma, squamous cell carcinoma, sarcoma*

Section B

Uterine cancers

9. *Uterine leiomyosarcoma*
10. *Other rare uterine sarcomas: Adenosarcoma, endometrial stromal sarcoma, STUMP*
11. *Uterine carcinosarcoma*
12. *Uterine serous carcinoma*
13. *Other rare uterine cancers: neuroendocrine tumors, yolk sac tumors, choriocarcinoma*

Section C

Cervical cancers

14. *High grade neuroendocrine carcinoma of the cervix*
15. *Other rare cervical cancers: cervical rhabdomyosarcoma, adenoid cystic carcinoma, verrucous carcinoma*
16. *Clear cell carcinoma of the vagina and cervix*

Section D

Vulvovaginal cancers

17. *Vulvovaginal melanoma*
18. *Bartholin gland carcinomas*
19. *Vulvar extramammary Paget disease*
20. *Other rare vulvovaginal cancers: Verrucous carcinoma, aggressive angiomyxoma,*

vulvar yolk sac tumor

Section E

Gestational trophoblastic disease

21. Gestational trophoblastic disease
