

1. *Urinary Tract Exfoliative Cytology and Biopsy Specimens: Nonneoplastic Findings*

*Derek B. Allison, Carla L. Ellis, Christopher J. VandenBussche*

2. *Urinary Tract Exfoliative Cytology and Biopsy Specimens: Low-Grade Urothelial Neoplasms*

*Derek B. Allison, Carla L. Ellis, Christopher J. VandenBussche*

3. *Urinary Tract Exfoliative Cytology and Biopsy Specimens: High-Grade Urothelial Carcinoma*

*Derek B. Allison, Carla L. Ellis, Christopher J. VandenBussche*

4. *Urinary Tract Exfoliative Cytology and Biopsy Specimens: Other Urothelial Tract Neoplasms*

*Derek B. Allison, Christopher J. VandenBussche, Carla L. Ellis*

5. *Renal Fine Needle Aspiration and Core Biopsy Specimens: Renal Cell Carcinomas*

*Patrick C. Mullane, Sara Mustafa, Christopher J. VandenBussche, Carla L. Ellis*

6. *Renal Fine Needle Aspiration and Core Biopsy Specimens: Urothelial Carcinoma and Other Nonrenal Malignancies*

*Patrick C. Mullane, Christopher J. VandenBussche, Carla L. Ellis*

7. *Renal Fine Needle Aspiration and Core Biopsy Specimens: Benign Entities and Nonneoplastic Findings*

*Sara Mustafa, Christopher J. VandenBussche, Carla L. Ellis*

8. *Adrenal Gland*

*Sara Mustafa, Christopher J. VandenBussche, Carla L. Ellis*

9. *Fine Needle Aspiration and Core Biopsy Specimens: Germ Cell Neoplasms*

*Kimberly S. Point du Jour, Christopher J. VandenBussche, Carla L. Ellis*

10. *Miscellaneous Lesions of the Genitourinary System*

*Kimberly S. Point du Jour, Christopher J. VandenBussche, Carla L. Ellis*
