

*Prologue*

*Acknowledgments*

*Our Editorial Team*

*Contributors*

**1. Foreword/Introduction**

*Theo Kofidis*

**2. History of Minimally Invasive Cardiac Surgery**

*Chang Guohao and Theo Kofidis*

**3. How to Set up a Minimally Invasive Program**

*Theo Kofidis and Chang Guohao*

**4. Instrumentation and Operating Theater Set up in Minimally Invasive Cardiac Surgery**

*Faizus Sazzad and Theo Kofidis*

**5. Anesthesia for Minimally Invasive Cardiac Surgery**

*Ti Lian Kah, Sophia Ang Bee Leng, Wei Zhang, Lalitha Manickam and Jai Ajitchandra Sule*

**6. Surgical Approaches in Minimally Invasive Cardiac Surgery**

*Faizus Sazzad and Theo Kofidis*

**7.1. The Aortic Valve: Minimally Invasive Aortic Valve Replacement: The Right Anterior Minithoracotomy**

*Igo B Ribeiro and Marc Ruel*

**7.2. Minimally Invasive Aortic Valve Replacement: Upper "J" Sternotomy**

*Faizus Sazzad and Theo Kofidis*

**7.3. The Aortic Valve: Sutureless Valves in the Setting of MICS AVR**

*Theodor Fischlein and Giuseppe Santarpino*

**7.4. The Aortic Valve: Endoscopic Aortic Valve Surgery**

*Giovanni Domenico Cresce and Loris Salvador*

**8.1. Transcatheter Aortic Valve Implantation (TAVI): Transapical Transcatheter Aortic Valve Replacement**

*Amalia Winters, Jessica Forcillo and Vinod H Thourani*

**8.2. Transfemoral Transcatheter Aortic Valve Implantation**

*Ivandito Kuntjoro and Edgar Tay*

**8.3. Transcatheter Aortic Valve Implantation (TAVI): Alternative Approaches for Transcatheter Aortic Valve Implantation**

*Faizus Sazzad and Theo Kofidis*

**9.1. The Mitral Valve: Minimally Invasive Mitral Valve Surgery**

*Hugo Vanermen*

**9.2. The Mitral Valve: Alternative Approaches to Minimally Invasive Mitral Valve Surgery**

*Chang Guohao and Theo Kofidis*

**9.3. The Mitral Valve: Robotic Mitral Valve Surgery**

*Nirav C Patel, Meghan K Torres and Jonathan M Hemli*

**9.4. The Mitral Valve: Percutaneous Mitral Valve Repair: MitraClip**

*Mohammad Abdulrahman Al Otaiby*

**10. Minimally Invasive Tricuspid Valve Surgery**

*Christos Alexiou and Theo Kofidis*

**11. Minimally Invasive Combined Heart Valve Surgery**

*Faizus Sazzad and Theo Kofidis*

**12.1. The Coronaries: Minimally Invasive Coronary Artery Bypass Grafting Surgery**

*Janet M. C. Ngu, Ming Hao Guo and Marc Ruel*

**12.2. The Coronaries: Robot Facilitated Coronary Artery Bypass Grafting**

*László Göbölös and Johannes Bonatti*

**12.3. Anaortic, Off-Pump, Total-Arterial Coronary Artery Bypass Grafting Surgery: The Coronaries**

*Michael Seco, J James B Edelman, Fabio Ramponi, Michael K Wilson, and Michael P Vallely*

**12.4. The Coronaries: Hybrid Coronary Artery Bypass Grafting Surgery**

*Claudio Muneretto, Chang Guohao and Theo Kofidis*

**13. Minimally Invasive Atrial Ablation Surgery**

*Anil K Gehi and Andy C Kiser*

**14.1. Aortic Surgery: Minimally Invasive Ascending Aortic Surgery**

*Ourania Preventza*

**14.2. Aortic Surgery: Endovascular and Hybrid Approaches for Distal Arch and Descending Thoracic Aorta**

*Cem Alhan, Sahin Senay, Julian Wong and Andrew MTL Choong*

**15. Minimally Invasive Heart Failure Surgery**

*Faizus Sazzad and Theo Kofidis*

**16. Epilogue**

*Theo Kofidis*

*Annex*
