

Evolution and Biology of the Skeleton

Front Matter

1. *Evolution of the Skeleton*

Reiner Bartl, Christoph Bartl

2. *Structure and Architecture of Bone*

Reiner Bartl, Christoph Bartl

3. *Modelling and Remodelling of Bone*

Reiner Bartl, Christoph Bartl

4. *Control and Regulation of Bone Remodelling*

Reiner Bartl, Christoph Bartl

5. *Growth and Ageing of Bone*

Reiner Bartl, Christoph Bartl

Diagnostic Tools in Bone Disorders

Front Matter

1. *Clinical Evaluation*

Reiner Bartl, Christoph Bartl

2. *Skeletal Radiology*

Reiner Bartl, Christoph Bartl

3. *Bone Densitometry*

Reiner Bartl, Christoph Bartl

4. *Laboratory Investigations*

Reiner Bartl, Christoph Bartl

5. *Bone and Bone Marrow Biopsy*

Reiner Bartl, Christoph Bartl

Pathophysiology and Diagnosis of Osteoporosis

Front Matter

1. *Epidemiology of Osteoporosis*

Reiner Bartl, Christoph Bartl

2. *Definition of Osteoporosis*

Reiner Bartl, Christoph Bartl

3. *Pathogenesis of Osteoporosis*

Reiner Bartl, Christoph Bartl

4. *Subgroups of Osteoporosis*

Reiner Bartl, Christoph Bartl

5. *Clinical Evaluation of Osteoporosis*

Reiner Bartl, Christoph Bartl

Risk Factors and Prevention of Osteoporosis

Front Matter

1. *Risk Factors for Osteoporosis and Fractures*

Reiner Bartl, Christoph Bartl

2. *A Step-by-Step Programme for Healthy Bones*

Reiner Bartl, Christoph Bartl

3. *Physical Activity and Exercise Programmes*

Reiner Bartl, Christoph Bartl

Calcium, Vitamin D and HRT for Osteoporosis

Front Matter

1. *Calcium and Other Minerals*

Reiner Bartl, Christoph Bartl

2. *Vitamin D and Other Useful Vitamins*

Reiner Bartl, Christoph Bartl

3. *Hormone Replacement Therapy (HRT)*

Reiner Bartl, Christoph Bartl

Treatment Strategies and Drugs in Osteoporosis

Front Matter

1. *Management of Pain in Osteoporosis*

Reiner Bartl, Christoph Bartl

2. *Treatment Strategies in Osteoporosis*

Reiner Bartl, Christoph Bartl

3. *Bisphosphonates (BPs)*

Reiner Bartl, Christoph Bartl

4. *Other Drugs in Osteoporosis*

Reiner Bartl, Christoph Bartl

5. *Adherence and Monitoring of Osteoporosis Therapy*

Reiner Bartl, Christoph Bartl

6. *Future Directions*

Reiner Bartl, Christoph Bartl

Prevention and Management of Osteoporotic Fractures

Front Matter

1. *Epidemiology of Osteoporotic Fractures*

Reiner Bartl, Christoph Bartl

2. *Risk Factors of Osteoporotic Fractures*

Reiner Bartl, Christoph Bartl

3. *Fracture Healing*

Reiner Bartl, Christoph Bartl

4. *Management of Osteoporotic Fractures*

Reiner Bartl, Christoph Bartl

5. *Fractures in Rare Bone Disorders*

Reiner Bartl, Christoph Bartl

6. *Falls and Fall Prevention*

Reiner Bartl, Christoph Bartl

Variants of Osteoporosis

Front Matter

1. *Osteoporosis in Men*

Reiner Bartl, Christoph Bartl

2. *Osteoporosis in Children and Adolescents*

Reiner Bartl, Christoph Bartl

3. *Premenopausal Osteoporosis*

Reiner Bartl, Christoph Bartl

4. *Pregnancy-Associated Osteoporosis*

Reiner Bartl, Christoph Bartl

5. *Immobilisation Osteoporosis (Disuse Osteoporosis, Disuse Atrophy)*

Reiner Bartl, Christoph Bartl

Secondary Osteoporosis in Medical Disciplines

Front Matter

1. *Assessment of Secondary Osteoporosis*

Reiner Bartl, Christoph Bartl

2. *Cardiology*

Reiner Bartl, Christoph Bartl

3. *Endocrinology*

Reiner Bartl, Christoph Bartl

4. *Gastroenterology*

Reiner Bartl, Christoph Bartl

5. *Genetics*

Reiner Bartl, Christoph Bartl

6. *Haematology and Storage Disorders*

Reiner Bartl, Christoph Bartl

7. *Infectious Disorders*

Reiner Bartl, Christoph Bartl

8. *Nephrology*

Reiner Bartl, Christoph Bartl

9. *Neurology and Psychiatry*

Reiner Bartl, Christoph Bartl

10. *Oncology*

Reiner Bartl, Christoph Bartl

11. *Pulmonology*

Reiner Bartl, Christoph Bartl

12. *Rheumatology and Immunology*

Reiner Bartl, Christoph Bartl

Other Systemic Bone Disorders and Osteoporosis

Front Matter

1. *The Patient with "Hypocalcaemia"*

Reiner Bartl, Christoph Bartl

2. *Osteomalacia and Rickets*

Reiner Bartl, Christoph Bartl

3. *AIDS Osteopathy*

Reiner Bartl, Christoph Bartl

4. *The Patient with “Hypercalcaemia”*

Reiner Bartl, Christoph Bartl

5. *Primary Hyperparathyroidism (pHPT)*

Reiner Bartl, Christoph Bartl

Local Bone Disorders and Osteoporosis

Front Matter

1. *Paget’s Disease of the Bone*

Reiner Bartl, Christoph Bartl

2. *Fibrous Dysplasia*

Reiner Bartl, Christoph Bartl

3. *Vanishing Bone Disease (Gorham-Stout Syndrome)*

Reiner Bartl, Christoph Bartl

4. *SAPHO Syndrome*

Reiner Bartl, Christoph Bartl

5. *Bone Marrow Oedema Syndrome*

Reiner Bartl, Christoph Bartl

6. *Complex Regional Pain Syndrome (CRPS, Sudeck’s Disease)*

Reiner Bartl, Christoph Bartl

7. *Ischaemic Bone Disease*

Reiner Bartl, Christoph Bartl

8. *Oral Bone Loss Due to Periodontitis and Systemic Osteoporosis*

Reiner Bartl, Christoph Bartl

Drug-Induced Osteoporosis

Front Matter

1. *Corticosteroid-Induced Osteoporosis*

Reiner Bartl, Christoph Bartl

2. *Transplantation Osteoporosis*

Reiner Bartl, Christoph Bartl

3. *Tumour Therapy-Induced Osteoporosis*

Reiner Bartl, Christoph Bartl

4. *Drug-Induced Osteoporomalacia*

Reiner Bartl, Christoph Bartl

5. *Antiepileptic Drug-Related Osteopathy*

Reiner Bartl, Christoph Bartl

6. *Other Drugs Associated with Osteoporosis*

Reiner Bartl, Christoph Bartl

Bone Marrow Disorders and Osteoporosis

Front Matter

1. *The “Bone and Marrow” System*

Reiner Bartl, Christoph Bartl

2. *The Patient with “Myelogenous Osteopathy”*

Reiner Bartl, Christoph Bartl

3. *Anaemias and Bone Reactions*

Reiner Bartl, Christoph Bartl

4. *Leukaemias and Lymphomas of the Bone*

Reiner Bartl, Christoph Bartl

5. *Myelofibrosis/Osteomyelosclerosis Syndrome (MF/OMS)*

Reiner Bartl, Christoph Bartl

6. *Disorders of the Mononuclear Phagocyte System*

Reiner Bartl, Christoph Bartl

7. *Systemic Mastocytosis (SM)*

Reiner Bartl, Christoph Bartl

8. *Multiple Myeloma*

Reiner Bartl, Christoph Bartl

Bone Metastases and Osteoporosis

Front Matter

1. *Tumour-Induced Hypercalcaemia (TIH)*

Reiner Bartl, Christoph Bartl

2. *Tumour-Induced Bone Pain (TIBP)*

Reiner Bartl, Christoph Bartl

3. *Bone Metastases: Incidence and Development*

Reiner Bartl, Christoph Bartl

4. *Skeletal Metastases of Breast and Prostate Cancer*

Reiner Bartl, Christoph Bartl

5. *Other Tumours with Osteotropic Metastases*

Reiner Bartl, Christoph Bartl

Joint Disorders and Osteoporosis

Front Matter

1. *The Normal Joint*

Reiner Bartl, Christoph Bartl

2. *Pathogenesis of Bone Reactions in Joint Disorders*

Reiner Bartl, Christoph Bartl

3. *Subchondral Cysts*

Reiner Bartl, Christoph Bartl

4. *Bone Reactions in Rheumatic Disorders*

Reiner Bartl, Christoph Bartl

5. *Degenerative, Metabolic and Neurogenic Joint Diseases*

Reiner Bartl, Christoph Bartl

6. *Peri-Implant Bone Loss*

Reiner Bartl, Christoph Bartl

Renal Disorders and Osteoporosis

Front Matter

1. *Renal Osteodystrophy (ROD)*

Reiner Bartl, Christoph Bartl

2. *Haemodialysis-Associated Amyloidosis*

Reiner Bartl, Christoph Bartl

3. *Kidney Stones*

Reiner Bartl, Christoph Bartl

Other Organs/Tissues and Osteoporosis

Front Matter

1. *Bone and Muscles*

Reiner Bartl, Christoph Bartl

2. *Bone and Skin*

Reiner Bartl, Christoph Bartl

3. *Bone and Fatty Tissue*

Reiner Bartl, Christoph Bartl

4. *Bone and Central Nervous System*

Reiner Bartl, Christoph Bartl

5. *Bone and Immune System*

Reiner Bartl, Christoph Bartl

6. *Bone and Teeth*

Reiner Bartl, Christoph Bartl
